Sometimes when I wake up I get sad (sometimes....)

E A(open E slide) E B(open E slide) A E

I'm missing the best friends I've ever had (I'm missing the *etc...*)

E A(open E slide) E B(open E slide) A E

And I'm just counting every single day

E A(open E slide) E

'cause summer's near and I'll be on my way

C#m A

(I wonder who I'll meet and where I'll stay)

And it's a new morning!

Boker Hadash... בוקר חדש

Where every day is waiting just for me

Where I can really be who I wanna be

No I wasn't me until I met you

There's so many things to do today too

(And isn't it so great to be a Jew?!)

And it's a new morning!

Boker Hadash... בוקר חדש

You know it's my home

away from home

And everything is totally my own

So if I wanna play or sing or dance

Today I'm gonna get another chance!

('cause every day's amazing here at camp!!!)

And it's a new morning!
